DEAR S I R:

REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.47(A)

ATTENTION: MS. LATTRICE BOND  
OFFICE OF PETITIONS

Attached is a new Declaration/Power of Attorney signed by three of the available inventors. This Declaration is submitted to replace the previously filed Declaration which incorrectly identified the Serial Number of the subject application.

A new transmittal was forwarded on 9 January 2002 to the missing inventor, namely David B. Franklin at what was then his last known address as set forth in the Declaration submitted herewith. However, that transmittal was returned by the Post office with an indication that the period for forwarding his mail had expired and listing an address in Colorado. A copy of the envelope indicating the above is attached.

Consequently, a new transmittal including a complete copy of the application new Declaration was forwarded on 30 January 2002 to Mr. Franklin at his new address of: P.O. Box 1784, Estes Park, CO. 80517-1784. Included in this transmittal was a prepaid postage, preaddressed envelope for return of the signed declaration. A copy of the certified receipt is attached.

REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.47(A) 2  
SERIAL NUMBER 09/853862

As of this date the undersigned attorney has not received a communication from Mr. Franklin.

It is suggested that the period for response to the Dismissal of the Petition be extended for at least another month to determine if Mr. Franklin will respond to the request for his signed declaration as the undersigned attorney has made a good faith effort to comply with the dismissal of the petition.

This Request is transmitted by fax to the attention of Ms. Latrice Bond in Office of Petitions.
